Response to Notice of Non-Compliant Amendment

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants received a Notice of Non-Compliant Amendment mailed October 11, 2006. By phone with Ms. Hardy on October 16, 2006, the undersigned confirmed that the signature page of the Preliminary Amendment had been located. (A second copy is attached, showing the USPTO receipt stamp.) Ms. Hardy reported that she had made an entry into PALM that all was well. However, as shown below, that "return to compliance" has not made it to Private PAIR. Therefore, this response is confirmation within the stated deadline that the Preliminary Amendment of March 8, 2006 was compliant and verified so by Ms. Hardy as of October 16, 2006.
